<p>EGOS 14696, dated 29 July 1964</p> <p>1. The referenced dispatch failed to mention that Project CABEZONE, including CAMANTILLA and HARVARD, was approved for 14 months rather than 12 months as requested. The reason is that KUDOVE/Projects is altering where possible the due dates of KUTUBE projects falling due at the end of the fiscal year in order to avoid next year the congestion of project renewals that occurred at the end of June.</p> <p>2. In effect therefore the 14-month approval is for a total of 14 months in place of the 12-month approval for 12 months as we requested. This will be confirmed by routine administrative correspondence. You will note that because of the change your next request for renewal of the project will be due in Headquarters 1 August 1965 rather than 1 June.</p>
